

Russ, Endres

**Drug pocket plus
2008**

570 pages
Trim size 3.75" x 5"

ISBN 978-1-59103-241-0
US\$ 19.95

Drug pocket plus conveniently combines the content of our **Drug pocket** and **Drug Therapy pocket** in one volume. Disease therapy recommendations are extensively cross-referenced with the relevant drug information sections making it easy to formulate appropriate therapeutic plans.

- New 4th edition for 2008 contains more than 1,200 drugs and approximately 2,300 brand names.
- Provides treatment regimens for more than 230 medical conditions.
- Contains prescription requirements and prescribing information for each individual drug.
- Dosage instructions now include equations for precise calculation of dose adjustments in renal failure.
- New chapter: Oncology Drugs.

For students, residents, nurses and all other healthcare professionals.
